# RESTORING HOPE...

## YOUR RED CROSS IN THE COMMUNITY

### Disaster Relief and Community Disaster Education

When a disaster threatens or strikes, the Red Cross is there. This year we responded to 190 local disasters, including 171 residential fires. We helped 493 affected individuals with emergency food, shelter and supplies.

Because being prepared can make your family and community safer and sometimes minimize injury and destruction, we made disaster education presentations to 17,969 participants.

### Health and Safety Services

From first aid, CPR and AED training to swimming and life guarding, American Red Cross programs help people lead safer and healthier lives. This year, 12,683 individuals learned lifesaving skills through 121 classes offered by the chapter.

### International Services

The international tracing program helps local families find relatives with whom they have lost contact because of a natural disaster, war or internal conflict. We helped reconnect 7 families with loved ones in foreign lands.

### Armed Forces Emergency Services

The American Red Cross provides communication between those in the Armed Forces and their families. We have a worldwide network that reaches service members wherever they are to communicate a birth, death or illness. This year we provided emergency connections for 786 military families.

### A Note About Volunteers

We depend on volunteers of all ages and backgrounds to carry on our work. Volunteers constitute 97 percent of our total workforce, serving as members of the board, instructors teaching lifesaving skills, disaster action team members, office administrators, event organizers and more.

This year, 367 volunteers made the work of the chapter possible, contributing 11,979 hours, for a contribution estimated at \$223,528.14.

The American Red Cross Inland Northwest Chapter is an independent, non-profit organization that relies upon the generosity of local individuals, businesses and foundations to ensure that help reaches those in need. Turn your compassion into action and support your local Red Cross Chapter.
